FAQ's

Is there a minimum requirement?

We require a 5-service minimum per artist, and no more than 8 services per artist. This ensures our artists have enough time to commit to each individual service to perform their best work without rushing.

Add-on services such as hair and makeup trials and spray tans do not count toward the minimum requirement.

Do I have to pay a deposit?

We require an up-front deposit of \$40 per service. Your date and artist(s) will not be finalized until your deposit has been received. The remaining balance is due on the day-of service and will be paid directly to your artist(s) including travel fees and optional gratuity.

Will I be connected with my artists prior to my wedding?

Once your booking is confirmed and your artist(s) have been assigned, your artist will contact you prior to your wedding date to discuss your services and preferences in more detail, and collect any inspiration photos.

If you have selected to do a hair or makeup trial, your artist will contact you to coordinate the date and location of the trial well in advance.

What can I expect on the day-of my wedding?

We will communicate with your wedding planner/coordinator to ensure our artists arrive according to your day-of schedule with ample time to perform the services needed. A fee of \$50 is added for arrivals prior to 7:00am.

How are travel fees calculated?

Our artists are assigned based on availability and location. We will do our best to match you with an artist as close to your venue as possible. The travel fee is calculated based on IRS standards of \$0.65 per mile.

If the travel distance is 2 or more hours, the Bride will be responsible for paying the fees for overnight accommodations for the artist(s).

How do I pay the artist(s)?

The complete balance for your wedding party will be due on the day of your wedding in cash or app payments (i.e. Venmo) depending on your artist's preference. Tipping is not required but encouraged. Industry standard is 20% if you are satisfied with your experience. We are committed to ensuring that you are happy!

Love Notes From Past Brides

Lauren R.

Symmetry Bridal was a fantastic choice for both wedding hair and makeup! Tiffany was very organized and sent us the beauty schedule well in advance of the wedding which was helpful in coordinating with other vendors. My stylists, Ashley and Taylor, were very talented and took their time to ensure that my bridesmaids and I were completely happy on the day!

This was my second time working with Symmetry and they were amazing on both occasions! All the women at Symmetry are kind and personable and do their jobs well. Everyone's hair and makeup came out great and our stylists really went out of their way to be helpful!

Highly recommend symmetry bridal for your makeup needs on your special day. I am not one for makeup, and wanted everyone to have a more natural look. Tiffany delivered just that! Everyone looked and felt stunning on our wedding day!

Tiffany and her team did a fantastic job for my wedding! We had hair and makeup done for me, my 7 bridesmaids, and my mom. It was a 2:00 ceremony, so we had to get an early start. But even on a 90+ degree day in June, everything stayed in place through the end of the night!
